

that High
amazon
people High

A diagram illustrating connections between the words 'that', 'High', 'amazon', and 'people'. The words are arranged in a grid-like fashion. 'that' and 'High' are on the top line, 'amazon' is on the second line, and 'people' and 'High' are on the third line. Blue circles are placed over the letters 't' in 'that', 'o' in 'amazon', and 'e' in 'people'. Blue lines connect these circles: one from 't' to 'o', one from 't' to 'e', and one from 'o' to 'e'. There are also faint blue circles around the 'H' in 'High' and the 'H' in 'High' on the third line, but they are not connected to any lines.
