

ft High
azon
eHigh

A diagram illustrating a sequence of letters. The letters 'e', 'o', and 'h' are each enclosed in a blue circle with a thick black outline. These circles are connected by thin blue lines: one line connects the top of the 'e' circle to the top of the 'o' circle, and another line connects the bottom of the 'o' circle to the top of the 'h' circle. The text 'ft High' is positioned above the 'e' circle, 'azon' is positioned between the 'e' and 'o' circles, and 'eHigh' is positioned below the 'e' circle.
