

Amazon
Microsoft High
Apple High

A diagram illustrating connections between three entities: Amazon, Microsoft, and Apple. The word "Amazon" is at the top, "Microsoft" is partially visible behind it, and "Apple" is at the bottom. Two blue circles with black outlines are positioned over the 'o' in "Amazon" and the 'e' in "Apple". Thin blue lines connect these two circles, forming a triangle with the word "Microsoft" as the third vertex. There are also faint blue circles around the 'o' in "Amazon" and the 'e' in "Apple".
