Apple High

A diagram illustrating connections between letters in three words: 'mazon', 'tH High', and 'Apple High'. Three blue circles are positioned over the letters 'o' in 'mazon', 'H' in 'tH High', and 'e' in 'Apple High'. These circles are interconnected by a network of thin blue lines. The connections include: a line from the top of the 'o' circle to the top of the 'H' circle; a line from the bottom of the 'o' circle to the top of the 'H' circle; a line from the top of the 'H' circle to the top of the 'e' circle; a line from the bottom of the 'H' circle to the top of the 'e' circle; and a line from the bottom of the 'e' circle to the bottom of the 'H' circle. Additionally, there are faint, curved blue lines that appear to be part of the same network, connecting the circles to the letters 'a' and 'z' in 'mazon' and the 'l' in 'Apple'.
